Brooke from the Hart Gallery was back for a morning of fun. Despite the cold and forecasted snow, residents gathered at Faith House and each was able to make a beautiful piece of jewelry!

It's Diana's birthday Monday, Jan. 9! Wish her a happy day!!

This month's CABIA meeting on Tuesday, Jan. 17, is a chili cook-off. Hosanna is going to enter TWO pots in the competition: one from Faith House under Susan's guidance and one from Hope House under Connie's guidance. Start thinking about a name for your team and what kind of chili you want to enter. Talk to Susan or Connie about your ideas. Residents from each house will prepare the chili on Friday morning and then share the results together in a joint lunch at Faith House. Good luck to both teams on the 17th!
