The "grand opening" of the St. Francis Meditation Garden will be held Sunday, October 16, at 1:30. Susan and Katie, along with Longstreet from St. Francis of Assisi Episcopal Church, show off some of the beautiful pieces created and donated by the parishioners of St. Francis. Along with the handmade cross we will dedicate a beautiful prayer box decorated by the residents.

Families and friends are invited to join us at a ceremony Sunday at 1:30 behind Faith House. There will be light refreshments afterwards.
