What a great day we had last Tuesday! We cut down trees, dragged brush piles from the woods, cleared away some undergrowth, and burned it all up! Thanks to Thomas Walters and Anna Hart for handling the chainsaw and monitoring the fire, and to Rogers, Lee, Kirk, and Orlando for pitching in with the hauling and fire-tending. Susan & I are thinking we may want to do this more often.....

## WEEKLY ACTIVITIES

It's a quiet week as we prepare for Thanksgiving and the busyness that follows soon thereafter!

Thursday, Nov. 23, Thanksgiving Dinner at Hope House at 4:00.

Friday, Nov. 24, decorating for Christmas! We'll need some help getting all the stuff down from the attic, so feel free to get up early and join the fun!

Friday, Nov. 24, Holiday Cheer on the Pier! Annual Christmas boat parade and fireworks at Ross' Landing. Departure time to be determined.
