Upcoming activities

Wednesday, November 4, residents are invited to join us outside (weather permitting) for a great big fall cleanup! We'll be weeding, sweeping, pruning, and more. The more help we have, the more we can get done!

Thursday, November 5, Community Cookout at Faith House. Join Ben & Ann Holt, along with Joe & Sherry Galbraith, as they prepare a meal of burgers, beans, chips and dessert. Come early and visit!

Friday, November 6, Brooke is back from the H*art Gallery for another fun activity. Meet at the TreeHouse at 10:00.

Saturday, November 7, 9:00-11:00am, We're headed to the Brainerd Optimist Dragstrip in to check out the cars. Afterwards, we'll stop at Walmart.

Above, residents enjoy a hike with Parks & Rec's Therapeutic Division at Audubon Acres (except for the mosquitoes!!). Below, their efforts are rewarded with a trip to Steak & Shake.

Above, residents and staff participate in an art activity at the CABIA monthly support group meeting designed to help better understand the impact brain injuries have on physical, cognitive, emotional, and social skills.

Thanksgiving will be here before you know it. We will have a traditional meal at 6:00 and family members are more than welcome to join us. There will be single coverage (meaning only one house will have someone on duty that day/night). So that we can plan appropriately, please let your house manager know your holiday plans soon (if you will be here for dinner, if you will be gone overnight, and if you will have guests).
