Most of you I know here at Hosanna. And our friendships are many. I'm glad to know you, and look forward to meeting those who I haven't met yet! Life always gets less complicated and less stressful, the more I lean on The Lord and his written word. After all, He's the one who's brought me this far in life (so why wouldn't I trust Him to take me even further?). Yes, even through impossible situations like that fateful car wreck I was a passenger in, all those years ago. It was really touch & go for a while there! But to fast forward to 2018, I needed to move from Southern California, and it was challenging, but He saw me safely through to TN. As I continue these different articles over the weeks/months ahead, I'll be sure to include inspirational quotes from Godly men & women, definitely with scriptures to come alongside them. All without 'accusations', or talking rudely to anyone. I'll make sure to open & close each article with a bible verse that will be helpful for our different journeys--no matter where we are in life.

Psalms 23:2. He makes me to lie down in green pastures; He leads me beside the still waters.
