This week's activities:

Tuesday, March 28, Stuart Heights brings dinner to Faith House.

Wednesday, March 29, Dinner at Sugar's Ribs for the folks who participated in the CABIA Chili Cookoff last month.

Friday, March 31, The Washboard Band performs at Hope House at 5:30. Come on up and enjoy the music!

The "Joes" (Joe Galbraith and Joe Hope), our handymen extraordinaire, make what we hope is the last repair to the door by the office!

Residents and staff alike enjoyed their St. Patrick's Day lunch of green (spinach) macaroni & cheese, Brussel sprouts slaw, & granny smith apples with chocolate sauce. Katie played teacher, quizzing them about St. Patrick and Ireland history. Orlando was on fire, shouting out one correct answer after another! Was it the luck of the Irish??

Residents enjoy a night of music by the Jericho Brass at the North River Civic Center. We are truly blessed with all the free music on offer in Chattanooga. We're looking forward to Nightfall and Riverfront Nights this summer!
