Susan: srdistefano@comcast.net

This week's activities:

Monday, April 10, HUMC Solo Ladies bring food and fun for Hope House.

Tuesday, April 11, we're off to Dairy Queen to listen to some music after dinner.

Friday, April 14, weather permitting, we will gather for outdoor games and a picnic lunch in the pavilion.

Another great class with Brooke from the Hart Gallery. It was all about birds and blooms this week! Who's ready for Spring to be here!

Today's issue will be brief and direct. Although there are many well known verses of the Bible and references to scripture to reiterate my vision of having everyone try to be nicer and more positive in their lives. While thanking God for His many bountiful blessings, I am asking you to pay attention to the advice of Ephesians 4:32. It convincingly suggests: *Be kind to one another, compassionate, forgiving one another as God has forgiven you in Christ.* ECR

Connor's Corner

Easter is next Sunday (4/16). Please let us know if you will be joining us for Easter Dinner. We will have a community dinner at Faith House at 6:00pm.

Can we do it? Yes, we can! Below, Connie wields a chain saw, Susan drags dead cedars from the woods, and Katie tends the fire as we cleaned up around the new pavilion recently.
