Our first Open House was a big success! The weather was beautiful, the food was fantastic (thank you, Bill & Kathy Wilder for providing food from Sugar's Ribs at cost and to board members for the side dishes!) and the music was hopping! Thank you to Mike Hixson and the Kindred Spirit Band for donating their time and bringing along friends, and to Tee Bumpass who sat in on a few numbers. Family, friends, board members, and residents all enjoyed a great afternoon!
