Alice, Linda, James, Rachel, & Terry (from top left, clockwise) were among those who enjoyed a picnic and concert at Camp Jordan last week.

Upcoming activities:

Wednesday, June 3, Afternoon movies at Hamilton Place —**American Sniper**. We will leave at 12:45. Tickets on us, snacks on you!

Friday, June 5, Hart Gallery Art project, 10:00am. I think this week you'll be making some cool yard art out of hubcaps and milk jugs. Meet at the Treehouse

Friday, June 5, after dinner, let's take a walk at the RiverPark.

We've just celebrated a holiday and have a few weeks until the next. In the meantime, I ask that you take a little time to be thankful about the miracle of life. We at Hosanna Community truly have so much to be thankful and appreciative for. Although this short rhyme isn't a complete acknowledgement of all the blessings we continue to enjoy on Grubb Road, it's an appropriate look at what and who we truly admire. I do hope you enjoy my thoughts.

Although recently it was National Limerick Day, I didn't take the time to provide my Hosanna friends and co-residents with a creative rhyme.

So, I'll share with you some quick news on the Hosanna Community, a home for various needs, ranging from cerebral palsy to brain injury.

The community setting with kindness fits well as a consistent theme. We are happy, accepting of God's blessing to us, it sure does seem.

We are so blessed to enjoy the many advantages of our community. So, consider if there were simply NO Hosanna, where would you be?

It couldn't offer the love we've received here from our truly loving Board. Their kindness is remarkable, and the care needs NOT to be ignored!

So, today, let's be thankful and realize it's really not that hard to do, when living with friends whose care is nothing but absolutely true.
