## THE HOUSE THAT MOLLY BUILT

Family, friends, and board members past and present gathered at the Mountain City Club recently for a luncheon honoring Molly Miles, our co-founder and a lifetime board member. Thank you, Molly, for your tireless energy, effort, and enthusiasm on behalf of Hosanna. Without your vision and dedication, we wouldn't be here!

Residents gathered together to celebrate Connor's birthday last week. It was a bit too warm for a picnic in the pavilion so the celebration moved inside to Faith House. The highlight? A huge key lime pie home-made by Terry!

It's a cabbage!! Susan cradles her first successful attempt at growing an actual head of cabbage—beautiful *and* tasty!
