Upcoming activities:

Monday, Aug. 24, Stuart Heights comes a day early to Faith House for dinner.

Wednesday, Aug. 26, afternoon movies at Hamilton Place: **Furious 7**, the last in the Fast & Furious series starring Paul Walker and Vin Diesel. We will leave at 12:30.

Thursday, Aug. 27, swimming at Chester Frost beach after lunch.

Friday, Aug. 28, It's back to Nightfall for the musical offerings of ESCONDIDO. Here's what one reviewer says of them: *"The band is steeped in Southwest fantasia, with swirling trumpets, guitar twang, acoustic guitars and slow motion reverb."* Leave at 6:00.

Today's column, although I try to avoid forcing my opinion on my readers, is a statement I feel is worthy of your attention. It is direct, short, and to the point. More importantly, it may directly relate to you or your loved ones:

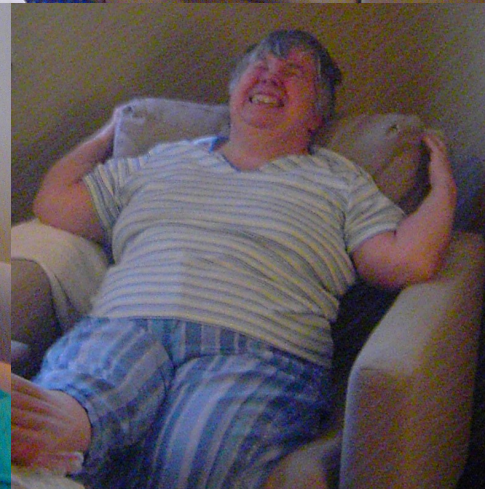

Make sure you always remember:
Dreams have no expiration date,
you can always take a deep breath, and
remain positive, and try again!
