You've heard the expression, "It takes a village..." Well, here at Hosanna, we have several residents who take that saying to heart when it comes to helping out. Above, Terry lends a hand and has a busy week: sealing invitations for the Harvest, making peanut butter balls with Stacy, and weeding the new garden behind Faith House with Susan. THANKS, TERRY!!

HOSANNA BOWLING TEAM: Several members of Hosanna's Special Olympics bowling team hit the lanes with Coach Stacy: Linda, Susan, Kirk, Michael and Orlando.

Susan, above, and Linda, below show their appreciation for the *Sweet Georgia Sound* concert at the North River Civic Center.
