

This Week's Activities:

Sunday, August 7, Fazoli's brings dinner for all at Faith House.

Monday, August 8, Hixson UMC brings food and fun for Hope House and celebrates Rachel's birthday.

Thursday, August 11, swimming and a picnic at the Dam Beach.

Saturday, August 13, Riverfront Nights—RIPE, a funk/pop band, so bring your dancing shoes!

Have you ever taken the time to question the Bible's attempt to differentiate its two most common subjects? I feel it is interesting that when relating the many heavenly assisted acts of these two, it is expected for us to view Jesus as a friend and God as a loving father. At the same time, while considering the many blessings we continue to receive as believers of his promises, isn't it remarkable that God still leads us despite all our failures? In closing, I would like you to imagine that God's desire for us all contains the possibility for everyone to cross the finish line together.
