Butch Reeves and his ONE MAN BAND entertained the residents last week.

Ladies and gentlemen, my purpose today is to explain a C.S. Lewis quote that I find to be extremely important in our path to heaven. I believe that each of my readers has the desire to one day rest in eternal peace. That being the case, let's remember: God is in control, so we don't have to be. Good gosh almighty, I could give a sermon on that subject, but today I am writing on humility, which some argue is actually God's greatest commandment. Will you please read and try to understand how the following quote can improve your happiness?

Humility is not thinking less of yourself.

Humility is thinking of yourself less.
