## WEEKLY ACTIVITIES

Monday, October 16, HUMC Solo Ladies are back at Hope for dinner and perhaps some Halloween fun??

Tuesday, October 17, Our own Carolyn Raborn is presenting the program at this month's CABIA support meeting. She will be doing a demonstration of Tai Chi. We'll leave at 5:20.

Thursday, October 19, Chillin Like Villains Fall Festival at the Walker Pavilion at Coolidge Park. Pizza and fall-themed games and activities. We'll leave at 5:30.

Friday, October 20, Ed Colucci shares his Italian cooking skills with Faith House for dinner. Hope House residents will go to hear the Sweet Georgia Sound at the North River Civic Center. They will leave at 6:40.

Great turnout for our Fast Food Friday lunch last week. The general consensus was that McD's does have the best French fries! We'll be headed back this Thursday afternoon to take advantage of the free ice cream that came with our receipts!

Next time you think **you're** having a bad day, just remember

this poor mouse who had the misfortune of running into one (or maybe both?) of our feline hunters recently!

It's a hat trick! A fun paper sack picnic dinner, great music by the Nick Lutsko Band performing at the LevittAmp concert series at the Bessie Smith Hall, and trying our hands at decorating bowls.
