Residents are having a blast with Sara and Rachel at Art-Ventures, a 4 week program brought to us by our friends at Therapeutic Recreation. There's been painting, windchime making. Can't wait to see what is next!

Connor's Corner I am a recipient of great love everyday, and you, my friends, are as well. I feel in return we should also be givers of the same. Other than knowing, as the Bible instructs, "It is more blessed to give than to receive", we can learn from the disciple Peter who denied the Lord with disgraceful words, but was still restored. He wrote, "Above all, love each other deeply because love covers a multitude of sins." We have all needed special attention and care. Jesus continues to cover disgraceful actions, shame filled comments and thoughts, while providing comfort and safety as well as acceptance of others. That's the kind of love we need to be thankful for and to show others. It's fairly simple, so let's do it! ECR
