A huge thanks to Board member Steve Sherman for blessing residents with a day of sailing. A perfect day for a perfect pastime!

Although I understand the importance of being creative and non-repetitive in keeping reader's attention when writing, please understand what I will be doing for the next couple of weeks. First of all, I want you to realize my belief that the Lord blessed us with different abilities to help serve Him. No one can do it all. So, we must work together. Father Quinn Parman of St. Peter's Episcopal Church repeatedly reminds his congregation that we are meant to serve others in many different ways. He has agreed to allow me to spread my message on remaining humble and kind soon and I feel blessed to have an opportunity to present my sermon. As a result, in preparation for a day that I take very seriously and will hopefully be memorable, I am going to write some preliminary ideas and drafts to help provide a truly respectable time with me at the pulpit. I truly respect Fthr Quinn, his powerful ministry, and I hope you understand my desire to please a priest who is putting his faith in me to affirm the message: Nothing separates us from the love of God. Thank you for understanding. I do ask for your supportive prayers please. ECR
