Connor's Corner Today my readers, I have a question for you. Have any one of ya'll ever wondered or quite often thought, "where is God?" Actually I think we all that thought that. I solve the problem, and let me reiterate this truth to you, by reminding myself: Jesus died on a cross to give absolute access to God's presence ALL the time. Admittedly, there are numerous biblical examples of the Father in heaven giving to His children, but lets take time to remember, Jesus promised us the Father would always give the Holy Spirit to those who ask. One such promise in Luke 11:5 he is very clear and direct in explaining, "Seek and you will find." I feel we all need to remain amazed at the gift of the Holy Spirit. We are able to experience happiness, hope, love, joy, peace, comfort in times of trouble, and also spiritual growth. I believe we have been blessed to be here on earth to share the gifts with others while giving thanks to our heavenly Father for sharing His love abundantly. ECR
