

## WEEKLY ACTIVITIES

Tuesday, September 25, Stuart heights at Faith. 6pm.

**Connor's Corner** Today's issue, admittedly, involves true emotions in regards to change, but it also reminds us of the importance of positive encouragement. What I mean is Friday, September 21, 2018 will mark Tania's (our social worker) last day at Hosanna Community, but the caring, kind, and compassionate spirit that she has shared with us will remain in our hearts as we thank the Lord for blessing us with her presence. At the same time, we need to keep Tania in our prayers for her best well-being wherever she goes and does. We know her profession will demand her helping others and as the Lord recommends, "to love each other with no prejudice," is her most defining trait. Tania's time with us has been respectful and most importantly marked with improvement. Her assistance in advancing our positive attitudes and ongoing appreciation for God's continuous blessings will never be forgotten. Tania has been therefore, not a loss at all. She is an eternal blessing that we will miss deeply. All in all, I wish her the very best, and can only say one thing as she moves on: Thank you for your care. It cannot be copied. -ECR

Residents creating art for Hosanna's annual fundraiser. They were able to paint their own creations on braille paper. So much fun!

**Words to Ponder:** If you're brave enough to say goodbye, life will reward you with a new hello.
