

REALIZING CHRISTMAS

Known as a holiday when gifts are graciously given on earth
In recognition of the heavenly-sent son of our dear Lord's birth.
Jesus would teach the habit and repeated purpose of kindly giving
Focusing on its positivity and not on the benefits of receiving.
He insisted that the Lord's love will never cease nor fade away
Which, interestingly, is reason to share Christmas thanks each and every day.
We need not forget the miracle of a baby boy, the son of our Lord.
So when we ask forgiveness for our mistakes, he makes sure our sins are ignored.
Be generous and kind as you give presents and share with those you love.
To realize Christmas should focus on the true care from up above.
