Wednesday, Feb. 13, Thanks to the generous folks in Kim Hixson's Sunday School class at Hixson First Baptist Church, we're going out to dinner! We've picked Home Folks, a great home-style restaurant up the road in Soddy Daisy with a wonderful buffet. We'll be leaving at 5:30.

Sunday, Feb. 17, weekly trip to Walmart after lunch.

Connor's Corner
I'm not being cute, sarcastic, or silly!. Face it: God really does have a heart. He is compassionate. He is forgiving. His love is eternal. He promises not to have others make fun of us, humiliate us, or put us to shame. He accepts us forever. So, I urge us all to realize our past is forgotten and believers will enjoy a wonderful future

♥ Happy Valentines Day ♥

VALENTINE SUPERSTITIONS

If you see a squirrel on Valentine's Day, you will marry a cheapskate who will hoard all your money.

If you see a goldfinch, you will marry a millionaire.

If you see a robin, you will marry a crime fighter.

If you see a flock of doves, you will have a happy, peaceful marriage.

CHINESE NEW YEAR CELEBRATED IN STYLE!!

We had a wonderful feast that included homemade hot and sour soup, homemade wontons, fried rice and even fortune cookies!

Thanks, Shylene and Ellis, for preparing all this!
