LENT is the period in the Christian calendar that precedes Easter. It is 40 days (not counting Sundays) and begins March 6 and ends April 20. It is a special time of reflection and faith, practiced in prayer and by the act of giving up something. That "something" depends on the individual, but the point is that it has to be something that is challenging to give up, thereby forcing you to practice self-discipline. It is also hoped that you will remember the sacrifices Jesus made for us all.

KFC Fast Food Friday lunch. Tasty, tasty, tasty!

HAPPY BIRTHDAY TO SARAH!!! Saturday, March 9. Wish her well!!!

I believe we all are fascinated by the many different creatures on earth. Admittedly, I am amazed at differing birds and horses, but I am most delighted with the butterfly. They are so harmless, innocent, and extremely beautiful. I am moved by the words of Nathaniel Hawthorne, who I feel best explains Spring when he wrote "Happiness is like a butterfly which, when pursued, is always beyond our grasp, but, if you will sit down quietly, may alight upon you." Interestingly, this quote can be found on the final page of the Spring 2019 CityScope magazine. I do feel it is unique that a publication that focuses on Chattanooga's community athletics, business, homes, and personal profiles would close their spring issue with such a profound statement. I think it is well-deserving of your attention.
