Bill McGee, a frequent Hosanna visitor, was on hand for Connor's June 17 birthday party at Faith House.

Orlando, Keller and Rogers braved and conquered the Therapeutic Recreation Services Catalyst Climbing Clinic this month at High Point Climbing and Fitness Center. The clinic is held once a month and is sponsored by Catalyst Sports, a non-profit based out of Atlanta. Its mission is to empower people by providing high quality of adaptive sports to the disabled community. It certainly appears to be a challenging way to spend an evening.
