

A HUGE 'THANK YOU' to all of our guests, donors and supporters of the Blue Suede Shoe Soiree, our 2019 Harvest for Hope scholarship fundraiser! Your ongoing encouragement of and belief in the Hosanna mission is priceless! The evening was a wonderful time of fun, outstanding music, amazing food and camaraderie beyond compare. Thank you so much!

GOODBYE, JASMINE JONES ...WE WILL MISS YOU!

Hosanna Community bid farewell to Jasmine, who worked with us for four years as a kitchen assistant and a programming assistant. Jasmine graduated from UTC with a Master of Social Work in May and is returning to Michigan, her home state, to work as a home-based therapist doing intensive therapy with children and their families. "I started working for Hosanna, and the next thing I knew, I fell in love with it. It was actually working at Hosanna that inspired me to go into social work in the first place," said Jasmine. Good Luck!
