### A Christmas Rhyme

The love shared at Christmas should never go away.

We should celebrate His birth, each and every day.  
Admittedly, we are thankful for His time on earth,  
All made possible because of Virgin Mary giving birth.

He was born very humbly in a small rustic manger,

Living to help define God's wishes — for sure.  
His mission focused on always heavenly giving,  
Rather than celebrate what we receive while living.

No, Christmas shouldn't question how nice gifts may be,

But rather a time of thanks for chance of eternity.  
Therefore, a day of love shared should not be ignored.  
Neither, then, should eternal life because of the Son of our Lord.

So, understand in appreciation of baby Jesus' day of birth,  
Christmas involves gift-giving joy over the entire earth!

**A \$5 gift exchange will be part of the CABIA Christmas dinner, Tuesday, Dec. 17. Please buy a gift or gift card before the event if you want to participate in the exchange!**
