**Tuesday, Feb. 11: - SWEETHEART DANCE HAS BEEN CANCELED DUE TO BAD WEATHER!**

**Friday, Feb. 14:** Is that love in the air or is it the smell of French fries?! We'll find out with a treat-yourself Fast Food Friday outing. We'll round it out with a trip to the thrift store. What could be sweeter?

**Connor's Corner****A VALENTINE FOR ALL MANKIND:**

February 14th is a day to determine a sweetheart,  
Mixed with gifts and greetings from the start.

It requires singling out one special person,  
And thanking them for the good they've done.  
Typically it involves the care of husband and wife -

Leaving it wide-open for those single in life.

Questions arise ... Is it he/she whom I love?

Then enter in the eternal care from above.

Yes, it's really not that hard to discover

God's love shown to one another.

Admittedly, God appears in unexpected places,

Even on Valentine's Day on amazed faces.

So, if you are buying roses or chocolates today

Remember the Lord doesn't have much to say.

He will spread love, and keeping this in mind,

His valentine is intended for all mankind.

Thank you to our Hosanna Community shutterbugs: Sarah Gussow, Christina Sattler and Katie Walters for capturing the lovely - and very surprising - Saturday morning snowfall!

Rogers - basking  
in the snowiness!
