Conner's

Corner

Today I will be direct. I will try to make you think as well.

Have you noticed or has it ever happened to you

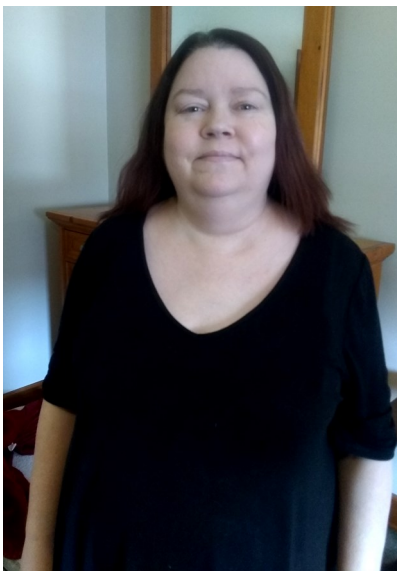

Often, when you recall situations, do you question the actions or comments made to one another? Why did I say or do that? Could I have been nicer?

Interestingly, we tend to focus on the negativity of different experiences. Let me, then, pose this question:

Are you ever angry, sorry or upset when you share love and grace to others? Probably not. Maybe that is the way you should plan to treat others in order to enjoy a positive future. Hmmm

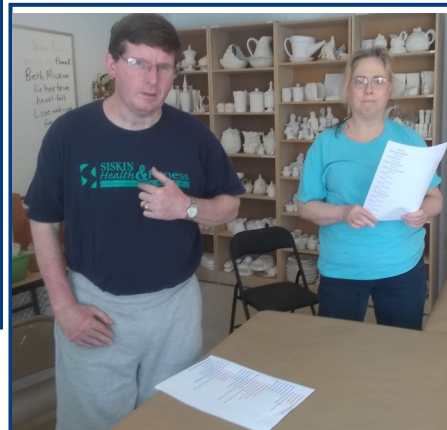

Welcome to Hosanna Community!

Please meet Kendall Moore, our newest Hosanna resident. She and her therapy dog, Jet, will be living at Hope House. Glad you're here, Kendall!

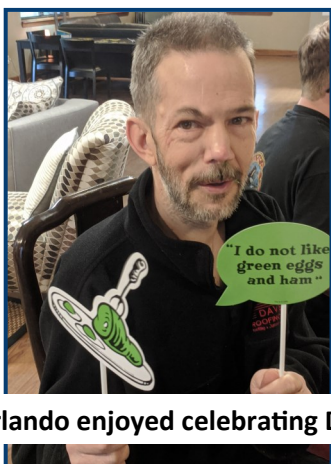

Staying Healthy

MANDATORY meeting on Tuesday, March 10, 5:30 pm at Hope House to talk about healthy habits we all need to adopt for the sake of ourselves and our fellow residents. Please talk to Susan D. if you are unable to attend this important meeting.

Connor and Sherolyn are two of the members of our special Hosanna Chorus that will be performing "Lean On Me" at the "Chillin' Like Villains" Talent Show on Wednesday, March 18. Also joining in are Orlando, Susan and Michael.

Rogers, Michael and Orlando enjoyed celebrating Dr. Seuss' birthday!
