I'm going to willingly admit that without the grace and love of our Heavenly Father, we would have no hope for eternity and no forgiveness of our sins, known and unknown. Yes, we need Him each moment of the day for strength, belief in His promises and the ability to remain thankful.

With use of His Word, I'd like to relate a couple of verses I find to be very decisive and meaningful to this topic:

- **Proverbs 16:20** reads, "They who handle a matter wisely shall find good; and those who trust in the Lord, happy are they."

- **Proverbs 3:6**, remember it is written: "In all ways acknowledge Him, and He shall direct your paths."
