With the ongoing persistence of the coronavirus, I ask you to realize all things happen for a reason, and in the end, it's God's decision. So, here is a prayer written for everyone to use.

Lord, as the life-taking coronavirus continues to devastate the earth, we have many concerns. We do recognize you are our Heavenly Father, and at all times, even in epidemics, we are your servants.

We pray, Lord, for the grace to serve thee, in times of uncertainty, to accept your will and, most importantly, to continue living in your love. We strive to be like You, made in Your image: to be a positive and encouraging blessing to others each and every day.

Lord, we trust Your wisdom and heavenly promise as we copy your example of remaining humble and kind. Please assist us when we falter to seek forgiveness, as we desire to be received into Your eternal kingdom by accepting you as our Savior and giving thanks for Your unceasing love. Amen.
