As you know, I enjoy being creative yet remaining appropriate. So, because I feel the power of prayer is a true blessing, I'd like to share how and why prayer is the best way to build a relationship with God.

Connor's

Corner

It's a choice we can all make ...

Place your heart and mind in a faithful setting. When God hears/listens, a loving response is coming.

Remember: God will NOT take temptation from us. We need to ask him for the power to overcome it.

Acknowledge and accept the power of His love; we cannot move forward without praising Him.

Yahweh is biblical for God and Jehovah. His love is real. His faithfulness endures forever.

Every single thing that exists is a result of God's creation.

Respect who you are praying to ... Speak with a definite purpose. He has the power to help us all.

Finally, realize ... If you DO NOT ask, then, you CANNOT receive.
