Bowling at Spare Time

With the vaccine now available to all, and the Covid epidemic being dealt with, businesses, churches and Hosanna Community are re-opening and trying to run productively. I feel very strongly that it is necessary to remain faithful to God by continuing to thankfully pray and by making sure to not let a bad situation or any individual stop you from doing so.

I could write a book on my belief, and I do hope you agree we all are very wise to always "carry the Spirit with you." The absolute truth is that God is always with us. But we actually just sometimes don't pay attention. My hope is for us to understand that God has expectations that He wants us to complete apart from obeying the Ten Commandments. We were, due to His grace, created to be filled with confidence, joy and peace.

God repeatedly reminds us about the power of prayer in His word. Philippians 4:6 directs: "Do not worry about anything. Instead, pray about everything." When you do, you will then find out what it is that God planned for you.
