I would like for you to understand this truth ...
"Everyone on earth has an active sense of humor." That's right - all of us - even Mother Teresa. Arguably, her strong faith in God had led her to believe it is possible for all of us to achieve anything we want. After all, God is forever willing to help with His love. But at the same time, let's not forget Mother Teresa's words:

"I know God will not give me anything I cannot handle.
I just wish that He didn't trust me so much."

Thanks to the wonderful generosity of St. Martin's Episcopal Church's "Coupon Clipping Ministry," we now have a well-stocked cabinet of personal care items at Hope House. The cabinet is located in the basement at Hope, and contains lots and lots of toothpaste, toothbrushes, dental floss, razors, feminine products and more. This is for the use of Hosanna residents. If you need something, please let a staff person know, and someone will help you find it in the cabinet.

We very much appreciate the thoughtfulness of the parishioners from St. Martin's!

Cards and Karaoke - a couple of Hosanna's favorite past times - even Rogers takes a turn behind the microphone!

Coolin' off & chillin' out at Chester Frost Park!

A bounty of veggies in Hosanna's garden!

Gotta have bowling. Thanks for helping out, Joe Woodall!
