Who are these Masked People!?

Today I will reiterate a lesson from Senior Pastor Jentezen Franklin of Free Chapel in Gainesville, GA. The church has multi-campus with an enormous global television outreach. Jentezen spreads his message at churches and conferences worldwide. His bestseller book "Acres of Diamonds" reminds us all to realize we have and can uncover hidden potential in all facets of our lives. A powerful sermon that moved me, and I hope you, was one focused on Psalm 119:18. Jentezen relates the verse in which the psalmist asks God to "open my eyes, that I may see wondrous things from your law" to the verse: "Yes, wonderful things can and will occur when you leave the door open to God." Then, my Hosanna friends and readers, came the most significant point. It did and will continue to strengthen my faith: "Trust will aid you more than you can imagine." I'll close with this prayer: Please, dear Lord, keep my heart filled with praises as well as trust and my tongue filled with thankful words for all of the wonderful things you've done." Amen.
