Today, my friends, I write on the extremely difficult topic of sin and forgiveness. I will refer to the Bible's book of Luke, written to give Jesus' instructions to his disciples. Jesus immediately warns them to "Be on your guard" and "If your brother sins, rebuke him, and if he repents, forgive him." He continues, "If he sins against you seven times in one day, and each time he comes to you saying, 'I repent', you must forgive him." With the importance of forgiveness established by the Lord Himself, I feel you should be aware of the importance of asking Him for help in repenting. Let's all recall, "It is written: 'Ask and you shall receive.' 'Knock and the door shall be opened.' 'Seek and ye shall find.' 'Do for others what you want them to do for you.'" My hope is to assure everyone to trust God in all we do. Whatever it is that may have you questioning God, it's okay. He will see you through it with His inestimable love.
