The Samaritan Center donated some gift certificates to Hosanna. We had a great time browsing and shopping at the thrift store. Thank you, Samaritan Center!!

Thank you, Ace Hardware, for the seed packet donations to local non-profits, including Hosanna Community. And thanks, Mother Nature, for all the rainfall lately. We're expecting great harvests ... due to your abundant generosity!!

Ladies and gentlemen, golf is a game of **Connor's** patience, skill and mostly, grace. I have played golf for more than forty years, and I've seen improvement. But I've also watched how attitudes and competition can change the fun atmosphere of this challenging sport. Often, when paired with close friends, matches can result in snide comments like: "He/she made too many mistakes" ... "When he/she chipped poorly and/or missed that putt, we lost."

Well, pardon me, but everyone makes mistakes in golf and life. I do know that blaming others solves nothing, and it can lead to friendship disaster. We need not hold mistakes against each other in golf - or life.

Grace, the kind God uses, by forgiving us, is exactly what we all need. I believe showing grace to others results in the happiness we all search for on the golf course. It will likely also improve scores. I ask you to give it a try.
