Happy Holidays from the Hixson United Methodist Solo Ladies

I do believe that a relationship with God is very important. I also feel it is very personal. So, I don't think it is necessary to tell people where to worship, when to pray, or how to properly ask God for His care. I strongly believe no one understands how our lives will work out, except Him. Admittedly, opportunities will always be available for us to succeed if we have faith in Him. He has promised to make an eternal path for His believers. Regardless of how life seems to disrupt the positive moments of gaining the right opportunities, faith in Him will help lead to happiness. Finding joy that leads to feelings of thankfulness will help us all to realize that His love is filled with goodness. As he holds us all as His precious ones, we can feel closer to Him by following 1 Thessalonians 5:16.

It suggests we try to "Rejoice Always."
