Today's message is an attempt to help us start and enjoy the new year. Yes, it will require everyone to take a serious look at our repeated actions along with intentions.

Connor's

Corner

To begin with, we need to make the choice to follow the will of our Heavenly Father. His care offers us courage, confident hope, and ultimately, peace. The ongoing safety that never leaves us alone is evident as He continually brings family, friends, and often church members, as representatives of God's love to help us in times of trouble. It should be no surprise that we need to provide Him tremendous thanks for His love. Adding to thankful prayer, in appreciation for the gift of being made in His image, we can help others learn of the good news while caring for the needy. Whether its financial, personal, professional, medical or spiritual aid you offer, I hope our actions are nothing but loving and sincere, and our care accepted as purposeful.

Please continue to keep Tina and her family in your thoughts and prayers. A Celebration of Life for her father Jim Sattler will be on Sunday, Jan. 15, at 4:00 pm, City Church.

The Hosanna bus will leave at 3:15 pm for the service for those who would like to attend.
