2:00 pm - **SURPRISE ACTIVITY!!**

HAPPY  EASTER

Making Easter Table Centerpieces

Rachel making lots of palm crosses

Keller's surprise 4-year Hosanna anniversary lunch

Indoor Easter Egg Hunt

With the observation of Easter rapidly approaching, I hope our Hosanna friends will enjoy a thankful celebration of the miracle of eternal life and heavenly hope given to us with the resurrection of Jesus. God's plan, which includes us being created by God in His image and for His glory helps us realize that, yes, we do hold some comparable attributes of God. We truly are made in His image and in His likeness.

This Easter, I want you to accept the fact that we have all been given the blessings of Forgiveness, Grace, Kindness, Love and to top those attributes, the Bible determined we are made in His image by God. With all the important lessons to learn concerning the forgiveness of sins, the possibility of eternal life, and the undeniable love that Christ has for us which is taught repeatedly every April, I want us all to be appreciative and be delighted in knowing why Jesus came to do what He did. In doing so, let Him carry you to His and your forever home.
