Making 'Thank You' Cards for Loftis Middle School

Yes. I love to preach behind an altar/podium at church. However, it is also a passion of mine to share my belief on the Bible's efforts to explain: When offering thanks to the Lord, we receive joy and peace as a blessing from Him. We are able, at all times, to use thankfulness as a means to build a stronger relationship with God.

Do know: As we are certain to give thanks for His love and peace, we are making sure to receive His richest, most rewarding gifts in return. If you truly want to rejoice, then keep an active thankful mindset. In the end it becomes rewarding to know the result of your actions means the reality of heaven is simply a blink of an eye away.
