I wish to thank you, my Hosanna friends, for your prayers during my recent health scare, resulting in a four-day hospital stay. I do feel strongly in the power of prayer and its rewards. I'm honored with your loving care.

Because we do believe there are no limits on what God can provide through His eternal love, we give help to others with prayer. Ultimately, God works through the prayers of His believers. Therefore, I truly appreciate your prayers for me, your brother in Christ. **Amen.**
