Planting Sunflowers ...

... And they're starting to grow!

It is absolutely not a secret. More than two thousand years ago, the truth that God will always remain with us in a loving manner was written in the Bible. There are many separate, specific examples noted. Isaiah 9:6 first points out His loving nature begins at birth. It is written: "For to us a child is born ... And he will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace."

Also convincingly reassuring us of God's eternal love, while encouraging our faith in His constant presence, is Jeremiah 29:11, which reads: "For I know the plans for you. Plans to prosper you and not to harm you. Plans to give you hope and a future." Once again, God promises to provide us loving eternal care.

If there is any doubt concerning God's intentions of offering us His eternal, confident peace, then pay close attention to His remark, written in Romans 5:39. Our Heavenly Father said, "Neither height nor depth, nor anything else in all creation can separate you from my loving Presence." Do you need a stronger promise than that? I suggest you be more aware and thankful.
