My Hosanna Community friends, I can safely say that although we do celebrate our thanks to God in different denominations, I believe we've all been baptized. In doing so, Jesus has made His mark on each of us with the Holy Spirit and with fire so that we are "Christ's own forever."

**Connor's**

Corner

Yes, it's been 46 years since I was baptized in Tampa, FL., as a young man, and even 40 years ago when I was confirmed into the Episcopal Church at St. Peter's Episcopal Church on Ashland Terrace in Hixson.

I was blessed and honored to be sent into the world with these words from the Rev. and Honorable Sam Payne: "May you go forth in the name of Christ, rejoicing in the power of the Spirit, today, and ALWAYS."

I hope you do, also. And I do. Thankfully.

June is a **B-I-G** birthday month around Hosanna Community, as we celebrate with special dinners for Keller, Drew, Tina and Connor!
