Don't mess with these two - they're nothing but a couple of school yard bullies looking for some milk money. Orlando and Rogers are also the "stars" of the latest Hosanna fundraiser: "We Want Your Milk Money."

(Did you know we go through **TWO** gallons of milk every day?!!)

## Thoughts From Susan D:

If you ever drive by Hosanna you'll probably see him: Hosanna's own Connor Roberts.

Every day Connor is outside sweeping the Hosanna property. "Neither snow nor rain nor heat nor gloom of night" can keep Connor from swiftly completing his appointed rounds. Connor takes his job seriously.

He is committed to do his part to keep Hosanna's property looking neat and clean.

He picks up sticks (we have a lot of them), sweeps the walkways and drive-ways, and rakes leaves. Hosanna sits on 7.5 acres so maintaining it is a BIG job. Connor works on it daily. His commitment to Hosanna, his home, shows in the love and care he puts into all his hard work. Connor has been a resident of Hosanna for 19 years. It is hard to imagine

what the Hosanna property would look like without his daily dedication to keeping the property cleaned up. We are truly grateful and appreciate all Connor does for our community.

Connor is one example of the 'best' of Hosanna!

Did you catch the "Hosanna Episode" on the WTCI/PBS program, "Chattanooga Stronger Together?" It aired on Sunday, July 2. The show was recorded. Watch for a time when it will be shown at Hosanna.

(By the way, word has it that Keller's name was mentioned FOUR times in the program ... at least!!!)
