Connor's

Today, without the aid of Biblical scripture, my Hosanna friends, I want to relate a theme I strongly believe.

I ask you to consider ...

- * We were created in HIS image for HIS glory.
- * Too often we show disrespect to God.
- * The Ten Commandments deserve more respect.
- * It's serious when God gets involved.
- * The devil will always try to upset God.
- * Satan is evil, wrong, and very vicious.
- * God prevents Satan from being victorious.

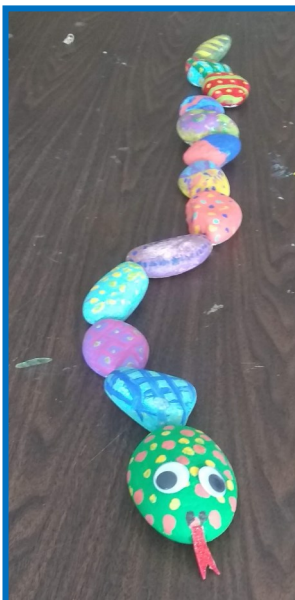

Interestingly, I want you to feel comfortable knowing: God is faithful to His promise of ALWAYS watching over us. He is truthful in all that He does. He is a promise keeper. He turns problems into peace. God is clear in telling us a new life awaits.

We need not try hard to receive it, but rather accept and be thankful for the gift already offered. Our focus doesn't need to be on if it is going to happen. No ... Let's rely on God's Word, and be a little more patient.

After all, God is available at all times to share His love for us.
