## **Attention to the Hosanna Community Staff:**

Connor's

As you celebrate a well-deserved week of appreciation with gifts & goodies, I'd like to offer my sincere thanks for your blessed care. As a "staff" member, you've learned the importance of teamwork while avoiding selfishness. Each one of y'all have your special niche, but not one of you can successfully complete a hard day without the help of another staff member. As a result, in addition to gaining & maintaining the respect & thanks of residents on a daily basis, you are building strong bonds with fellow team members which helps our community positively grow. Yes, I feel blessed to be a 21-year resident of Hosanna Community. Yes, I've seen, and will continue to see, change on Grubb Road. I remain proud to call Hosanna my home.

Susan DiStefano, it's because of you & your truly loving, encouraging & supportive staff that I can do that. I hope you enjoy a great week of thanks. I'll keep each of you in my prayers.

Love, Connor
