I personally would like to thank the entire Hosanna staff for their personal kindness and love, mixed with professional habits and talents that have recently been very evident. I'll begin with my appreciation for being taken to Finley Stadium for the Chattanooga Football Club's soccer match. Susan and David's kindness was remarkable, as was the pre-game meal, great parking and seating, an incredible game, and a wonderful walk through the new stadium. I can only compliment Beth on her heartfelt and hard work on the Chattanooga Golf & Country Club fundraiser for Hosanna's future. I am confident of her love for our happiness. Yes, I am also pleased with Nichol's proven care with trips to Chester Frost Park. Nothing beats quietly relaxing on the banks of the Tennessee River with a friend with so much care for us. Mary, God bless her, is thankfully always putting a smile on our faces. Shelene's cooking talents are no secret, and her recent plum sauce was admirable. We cannot forget Connie, who gave us some delectable banana bread last week. Thank Every One of Y'all!
