My Hosanna friends, I have a good question for you to consider: Don't

### Connor's

Corner

you feel God has, and for which you are truly thankful and continues to provide, each blessing with love in abundance? I'm asking because I believe many of y'all, like me, turn to God in times of need. I feel the absolute confidence and inspiration we desire from God can be found in the Bible's Book of John - John 6:13, when God clarifies: "I am the bread of life. Whoever comes to me will never be hungry, and whoever believes in me will never be thirsty."

It appears God has set aside His love in abundance that will allow many blessings to occur. I do think we need to remember that God operates on His time and our feelings need to be a lot more thankful than simply receptive.

Let's all realize God is always available to talk to. He is "a listener, a guider, and a heavenly provider."

Thank you, Lord.
