How To Watch An Eclipse

Step 1: Go Outside

Step 2: Put on eclipse glasses. **DO NOT** look directly at the sun

Step 3: Look up & say 'wow, ooh & aah!'

You Need **Special** Glasses for eclipse watching. Do not use regular sunglasses!

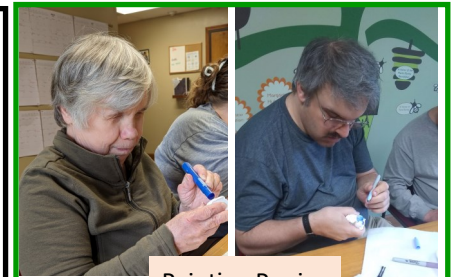

Hosanna has eclipse glasses. Please ask a staff member.

The April Fool's Day Jelly Belly Bean Bamboozle Challenge: Is it Cotton Candy or Dead Fish? Dirty Dishwater or Coconut?

Thanks, for your help, Miller, and putting those O'Reilly Auto Parts Store skills to good use at Hosanna ... checking and adding oil to the Subaru. Good Job. We appreciate it!
